

Dear Parents/Guardians,

As a parent (or a student 18 or over), you have the right to prohibit the Release of Student Directory Information about your student.

What is Student Directory Information?

“Student Directory Information” is information about students that may be disclosed by the Anchorage School District (ASD) to identify enrollment and to publicize student accomplishments and activities. Examples of publication include

- x A playbill showing your student’s role in a drama production
- x The annual yearbook
- x Honorroll or other recognition lists
- x Graduation programs
- x Sports activity sheets, such as for wrestling, showing weight and height of team members

Directory information may also be requested from ASD by education related vendors, colleges, or military recruiters who want contact information for ASD high school students.
