ACKNOWLEDGMENT OF RESPONSIBILITIES

Students, parents/guardians, and school counselors, please read the following carefully and sign below, acknowledging that you understand the responsibilities associated with enrolling in the Alaska Railroad Corporation Tour Guide Training Program. I hereby ACKNOWLEDGE that:

1. The Training Program requires a significant time commitment from the students. I have reviewed the schedule for classroom training and field trips and understand that the students are expected to attend all such training trips. In addition, students will be required to be flexible regarding training schedules, as they may change from time to time to accommodate special learning opportunities.
2. The Training Program is managed by ASD and all applicable school district policies and rules (including drug policies) apply to the Training Program.
3. In order to complete the Training Program successfully, the student must attend all classroom training and field trips (unless the student's absence is authorized in advance) and satisfactorily complete all assignments and examinations.
4. If the student successfully completes the Training Program, they will receive one-half (1/2) of an elective academic credit.
5. If the student successfully completes the Training Program, they will be offered an opportunity to interview for the position of Alaska Railroad Corporation Tour Guide. There is no guarantee that the student will be selected for the position, and the student's enrollment in the Training Program is not a promise that they will ultimately be offered the position of tour guide.
6. Students are required to wear the ARRC uniform in class and, if selected for a tour guide position, must comply with uniform standards as a condition of employment.

I understand the commitment and responsibility for attending and participating in the Tour Guide Program. If I am selected, I will attend the entire training program as indicated above.
