

Anchorage School District School Start Time Survey

Introduction

The Anchorage School District (ASD) is reviewing school start times and considering whether changes would benefit students, staff and the community. Please take a few minutes to complete the survey.

Anchorage School District School Start Time Survey

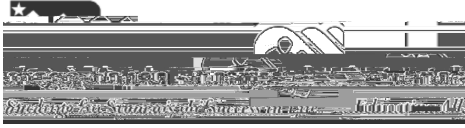

Least likely to support

Somewhat likely to support

Most likely to support

Earlier start times
than current

4. Which factors related to possible school start time changes are of concern to you? (mark as many as apply)

- Elementary students walking in early morning darkness
- High school students with after school jobs
- Middle and High school students in sports and extracurricular activities
- Changes in work schedules for teachers
- After school childcare scheduling for younger students
- Older students who need to be available early in the afternoon to provide childcare for younger siblings
- Military parent schedules that allow quality time with younger children in the morning
- Minimizing changes in schedules in the wake of the Pandemic
