Annual CTE Student End of Year Survey

Thank you for choosing to participate in a Career & Technical Education (CTE) course. Your input is important to CTE. As you are closing out the semester, we would like you to take a few minutes of your time to complete a survey about your experience in a CTE course and/or program. We will use this information to help us better serve our Fort Worth ISD CTE students. Your name and/or any identifying information will NOT be shared. If you have or are currently taking more than one CTE course this year (including the fall semester), you can choose whether to submit a separate survey for each course or submit one survey for all your CTE courses.

Type in your FWISD email below and select NEXT to begin the survey. Continue to select NEXT as you go through each section of the survey. Thank you for participating!

- Agree
- Neutral
- Disagree

In my CTE course(s), I learned how to apply math, science, and literacy skills in real-world situations. * Neutx Agree

- Yes
- No

CTE Programs of Study and Gold Seal Programs of Choice

CTE is structured so that students enroll in a sequence of 3 or more CTE courses for 4 or more credits within a career-focused Program of Study (e.g., Graphic Design & Illustration, Entrepreneurship, Education and Training). My plan is to: *

- be a CTE student and follow a program but I have not selected a program yet. I need to meet with my counselor.
- continue and complete all the coursework in my Program of Study.
- stop all coursework in my Program of Study.
- change my Program of Study.
- only take CTE elective courses.
- Other:

I am interested in or am currently in a CTE Program, GSPOC, P-TECH or T-STEM, in the

- Lodging & Resort Management
- Computer Support & Services (Maintenance)
- Networking Systems
- Law Enforcement
- Legal Studies
- Robotics & Automation
- Welding
- Biomedical Science (PLTW)
- Cybersecurity
- Engineering
