Student Learning

Uvwfgpv"Ngctpkpi"Uw o o ct{

During the 2020-2021 school year The Leadership Academy at John T. White encountered many obstacles. Obstacles faced with the hybrid teaching model, quarantines, and highly mobile students in terms of being virtual and In person. Campus staff readily embraced changes with their model of teaching, providing support for at home learners, and lesson planning to accommodate both instructional models. All students were provided technology and hot spots to support in accessing and continuing the learning process. As a result of the many shifts students in grades K-5 showed areas of limited growth in reading and math as measured by NWEA MAP, and STAAR.

Uvwfgpv"Ngctpkpi"Uvtgpi vju

92% of PK students (English and Spanish) were on Track as measured by CLI Engage

94 % of Kindergarten DLE students were on Track as measured by TX-KEA

80% of 3-5 DLE Students met their Projected growth as measured by NWEA MAP
