Demographics

Demographics Summary

Tanglewood is an exemplary neighborhood school serving a diverse group of students in Pre-K through 5th grade. Tanglewood is an A-rated campus under the Texas Education Agency's accountability system for student achievement, student progress, and closing student learning gaps. In addition, Tanglewood earned all six possible distinctions in 2022: reading, math, science, closing the gaps, comparative growth, and post-secondary readiness. Our school community is highly involved- teachers, staff, and parents work together to create a safe and supportive environment for all students. We have 509 students currently enrolled at Tanglewood.

School Processes & Programs

School Processes & Programs Summary

Tanglewood teachers utilize district curricular resources and pacing guides to plan, prepare, and deliver lessons to students. Teachers collaborate weekly in grade level and/or content area professional learning communities (PLCs) to design instructional units. All lessons are aligned to state standards and student activities are an accurate measure of expected student outcomes. Teachers supplement the district curriculum with research-based advanced academic materials. Teachers maintain high expectations for student progress and student achievement. Students participate in the goal-setting process using their individual data.

Tanglewood teachers participate and engage in professional development activities through Fort Worth ISD, Region 11, local and national conferences, and campus-based learning. Several Tanglewood teachers are invited to present at educational conferences annually. Our campus instructional coach offers relevant and meaningful content sessions throughout the school year.

Tanglewood has several teams and committees in place to provide consistent feedback and input to the principal. The Site-Based Decision Making team meets six times per year to review data, procedures, and processes. The instructional leadership team meets monthly to review student data and instructional practices. The administrative leadership team meets weekly to review student data, plan and prepare schedules and ev stuj R !

Perceptions

Perceptions Summary

Tanglewood has a reputation of being one of the best elementary schools in the state of Texas. There is much pride associated with being a Tanglewood Tiger.

Parents are highly involved and partner with us to provide the best education for their children. Parents participate in conferences, attend special events, and volunteer throughout the year in a variety of roles. While parents trust us and support us, they also feel comfortable challenging us in a respectful way. We may not always agree on the outcomes, but the staff at Tanglewood strives to ensure that all stakeholders feel heard and appreciated.
