Woodway Elementary has seen significant growth in parental involvement for the 2022-23 school year. Due to the launch of ongoing family and community events, we have seen great participation of families in campus-wide events. Events such as the campus picnic, taste of Woodway and Christmas concert brought out large numbers of parents and students. With the relaxation of COVID restrictions, many families were very eager to return to campus events. The launch of the PTO has brought amazing partnership to the stakeholders of Woodway Elementary. PTO has strongly supported all campus events including hosting a spring dance that was a major success. The partnership between PTO and Woodway Elementary has been invaluable.

Parent perceptions of Woodway as a safe and nurturing culture for students is very high as reflective on a campus-based parent survey. 70% of responses scored at a 5 out of 5 for strongly agree for the indicator that my child wants to come to school most days. Parents also reflected 70% or higher for at least a 4 or higher that Woodway Elementary provides a safe and nurturing environment for their child.

Student Learning

Uwfgpv"Ngctplpi"Uwo o ct{

"Woodway Elementary has been on a Targeted Improvement Plan by the Federal Government due to our African American population not meeting their Math and Reading targets. We have focused on students meeting their targets at the Meets and Master's levels, focusing on Domain 3, closing the gaps.

"
Uvwfgpv"Ngctpkpi"Uvtgpi vju

Woodway Elementary has implemented weekly progress monitor checkpoints to gauge student progress on specific state standards. All grade levels began designing and using curriculum resources for weekly small checkpoint assessments. These assessments have been used to identify targeted areas of support for reteach as well as small group targeted instruction. We have also used MAP data to identify down to the individual student, their areas of strenghts and areas of weakness so that targeted interventions are aligned to the students' areas of improvement.

"
PLC's have been a rich resource for collaboration and identification of key student outcomes, misconceptions and best instructional practices. PLC's also have been utilized to analyze data including student work in an effort to identify gaps in understanding or processes. PLC's have also been utilized as a time for teachers to execute portions of lesson practice prior to delivering instruction to students.

Staff and parent surveys sent out anonymously show a high level of positive campus culture and family engagement. Surveys reflect a high positivity towards campus beliefs and positive culture. Parents are highly active and involved in family engagement activities and campus events. The 2022-23 has been an amazing year for parents to have an opportunity to engage with campus events with less restrictions as in previous years. Staff retention remained around 80% from the previous year.

Rgtegrvkqpu"Uvtgpi vju

Parent and staff surveys sent out anonymously strongly support a high satisfaction with Woodway Elementary school.
